**NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT
DETERMINATION-SELF CERTIFICATION**

PRINT NAME: _____

ADDRESS: _____

LOCATION: _____

TAX MAP #: _____

I (we) hereby certify that my (our) project described below does not disturb one (1) acre or more during the life of my (our) project. It is therefore understood that my (our) project does not meet the requirements for a National Pollution Discharge Elimination System (NPDES) Permit for Stormwater Discharges Associated with Construction Activities.

If the scope and size of my (our) project changes and the amount of earth disturbance is equal to or greater than one (1) acre, I (we) will contact the Wayne Conservation District for a determination of NPDES Permit needs.

However, my (our) project still requires that a written Erosion and Sedimentation Control Plan be developed. This plan outlines how I am (we are) going to prevent sediment from leaving my (our) site during construction. Items to consider in the plan are: Sequence of Construction, Temporary Measures (silt fence, mulch etc.) and Permanent Measures (seeding & mulch with soil supplements, gravel coverage, etc.). This plan does not have to be reviewed by the Wayne Conservation District unless the municipality or another permit requires a review and approval. This Self-Certification cannot be considered a wavier of any other federal, state or local permits.
